English Field Aviation Receives 2015 Amarillo Award In Aerospace/Defense Category

Amarillo, TX, July 22, 2015 – EFA (English Field Aviation) has been selected for the 2015 Amarillo Award in the Aerospace/Defense category by the Amarillo Award Program.

Each year, the Amarillo Award Program identifies companies they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Amarillo area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 Amarillo Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Amarillo Award Program and data provided by third parties.

About Amarillo Award Program

The Amarillo Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Amarillo area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Amarillo Award Program was established to recognize the best of local businesses in our community. Their organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Their mission is to recognize the small business community's contributions to the U.S. economy. www.awardcontact.org Specializing in King Air and Citation aircraft, EFA provides expert aircraft maintenance, avionics upgrades and inspections and refurbishment services. From simple inspections to complete avionics package upgrades, EFA has the comprehensive capabilities to meet any request while delivering concierge quality customer service. As an FAA approved Part 145 facility, EFA features fully trained and certified technicians who utilize the latest tools and practices to deliver accurate and reliable aircraft service you can trust. Offering a convenient, mid-continent location in Amarillo, TX, EFA is perfectly positioned to serve you at Rick Husband International Airport (KAMA) .
